

## **Abstract**

The student will compile a study about Regional research library building in Liberec (Radim Kousal 1995 - 2000). Part of this building is a space with meaning resulting from the synagogue, destroyed by the Nazis. The building will be put into the context of architecture in Liberec in the second half of the 20<sup>th</sup> century and into the broader environment of contemporary architecture of libraries in the world with the emphasis on new czech libraries. She will also pay attention to the building's urbanism context, and it's present functioning.
