**Course of defence:** The defense was held online. The student presented her thesis on the topic of Media Bias and Framing Analysis of Local Media and Foreign Based Media coverage on the case of “Rohingya: Gambia files case against Myanmar at International Court of Justice”. After the introduction, theoretical underpinning, the student presented her research questions, methodology, results of her research, discussion and implication.

The supervisor was present during the defense and was given space to comment on the thesis. She appreciated work of the student - theory. The overall evaluation of the thesis is according to her outstanding.

The opponent also praised the thesis. Especially theory and original data collection. The opponent pointed out that the weaker point was not a complete interpretation of the frame theory and would appreciate better guidance in how to understand the results. But as she stated that these were minor shortcomings.

The student reacted to the weaker points perfectly.
