Language of the thesis: English
Language of defence: English
Advisor: Marco Pertile, Dr.
Date of defence: 14.09.2022 **Venue of defence:** Praha
Attempt: regular

Course of defence: The presentation started with the student's description of the main topic of her thesis. Her objective was to explore how International Humanitarian Law has the ability to address Information Warfare. She continued with the description of the analysed cases. Furthermore, she laid down the theoretical and methodological basis of the thesis and presented the research framework she followed throughout the research. The description of the analysis and the steps that she took to finalize it was very detailed. She summarized the positive and negative points of the reviews and focused on the negative parts of the review. Afterwards, the committee members formulated one further question. The student replied.
