Title of the thesis: Gender aspects in state-led water security discourses: A case study of the Syr Darya river basin countries
Thesis department: Department of Security Studies (23-KBS)
Language of the thesis: English
Language of defence: English
Advisor: prof. Louisa Rosemary Parks
Date of defence: 14.09.2022 **Venue of defence:** Praha
Attempt: regular

Course of defence: Firstly, the student presented the background and main objectives of the thesis entitled Gender aspects in state-led water security discourses: A case study of the Syr Darya basin countries. Furthermore, she moved to the description of the case she analysed and the reason for selecting the topic. Then the student proceeded to the introduction of the theoretical framework. Then the student introduced the methodological approach. Members of the committee asked about the transferability of the approach. The student answered that the most important role she sees is in practical policymaking. Members of the committee asked about the specificity of the case of central Asia. The student answered the question about the role of the post-soviet history of the region.

Result of defence: excellent (A)
