Title of the thesis: Russian information operations via Sputnik Srbija: The case study of Russia-Ukraine war
Thesis department: Department of Security Studies (23-KBS)
Language of the thesis: English
Language of defence: English
Advisor: prof. Peter Jackson
Date of defence: 14.09.2022 **Venue of defence:** Praha
Attempt: regular

Course of defence: The defence was opened by the committee, asking the student to present the dissertation. The student elaborated on the research aims, research design and research results in a detailed way. The committee asked the student to react to the comments mentioned in the reviews, highlighting that there were almost no critical comments and rather asking the student to comment on the reviewers' suggestions. The student reacted, inter alia, interpreting the understandings and dimensions of information warfare within the studied case. The committee also asked the student to discuss content production, and the student comprehensively discussed this issue together with the problem of content manipulation. The committee also asked the student to comment on the logic of data analysis. Being satisfied with the student's performance, the committee concluded the defence.

Result of defence: excellent (A)
