**Reviewer(s):** Mgr. Milan Ščasný, Ph.D.

**Date of defence:** 21.06.2023    **Venue of defence:** Praha

**Attempt:** regular

**Course of defence:** The student started the defense with a well-prepared presentation, covering the motivation for the thesis, the existing literature, the methodology used and then discussed the main conclusions. The advisor's and opponent's reports were both positive in evaluation, but raised some issues related specifically to the manuscript form of the thesis ("needs more polishing"), also the results could be discussed in more detail. Both stated that the methodology and its application is very standard. The student responded to all questions raised during the discussion in a satisfactory way. All in all, the committee appreciated the very good quality of the thesis and the presentation and decided on grade B.
