

Abstract

This bachelor thesis contains an annotated translation from the Spanish language. The work consists of two parts: a practical part and a theoretical part.

The first part of the bachelor thesis presents a translation of the Spanish guide of Seville together with a selection of the most famous celebrations in Spain. For the translation, I chose tourist brochures published by the Ministry of Industry, Trade and Tourism of the Kingdom of Spain.

The second part is theoretical, it consists of a translation commentary which is divided into an analysis of the original text, translation method and translation problems.
