Date of defence: 12.09.2023 **Venue of defence:** Praha
Attempt: regular

Course of defence: Dr. Neag started the defence session. The student introduced the topic of her master's thesis. She outlined the theoretical framework and methodological approach (multi-modal critical discursive analysis + content analysis). Then, she presented the results and main findings of her research. Both the supervisor and the opponent were present during the defence. Dr. Neag, as the supervisor, read her review and discussed the main objections to this work. Dr. Macková, as the opponent, also summed up her review and mentioned the limitations and objections of this thesis. The student commented on the objections according to reviews and answered the questions from the supervisor and the opponent.
