

Abstract

ŠTAJNEROVÁ, Terezie. Leisure time of Roma children and youth in Prague 3. Prague 2023. Charles University in Prague. Faculty of Hussite Theology. Department of Psychosocial Sciences and Ethics. Thesis supervisor doc. PhDr. Monika Nová, Ph.D. MPH

The theoretical part of this bachelor thesis describes leisure time - the history of leisure time, functions and leisure time of children and youth. It also describes the Roma community, the history of Roma in the Czech Republic and the topic of integration, segregation, discrimination and social exclusion of Romani people. It also focuses on Roma children and youth and their leisure time. The theoretical part concludes with a list of institutions working with Roma children and youth in Prague 3. In the practical part, a quantitative method was used to collect data through a questionnaire survey. The aim of the bachelor thesis was to find out how Roma children and youth in Prague 3 spend their leisure time.
