Course of defence: The Defense Committee Chair welcomed present committee members and all participants.
The Defense Committee Chair initiated the defense by verbal statements confirming (i) that a satisfactory number of Defense Committee Members were present, (ii) that the student fulfilled all the requirements as listed in the Study and Examination Code of Charles University.

The Defense Committee Chair introduced all committee members and asked Luboš Hanus to present his dissertation thesis. Luboš Hanus briefly described the main findings of the dissertation. Afterwards, Luboš Hanus focused on the 3rd chapter called "Identification Persistence in Macroeconomic Responses" in more detail.
After reading the referees' (appointed by the Graduation Council) comments, an open discussion followed. There were no questions during this part.
During the Defense Committee voting, Luboš Hanus and the audience left the room, and then committee members voted.
