**Date of defence:** 10.09.2024    **Venue of defence:** Praha

**Attempt:** regular

**Course of the examination:** The student presented the thesis to the committee in a structured and clear way, motivating the research question, describing the data, giving intuition behind the methods and presenting the main results. She answered all the questions raised in the advisor's and the opponent's reports satisfactorily and responded very well to the questions by the committee members. The thesis received high praise from both the supervisor and the opponent. The committee, however, had some reservations with respect to the way testing for non-linear effects of government funding was implemented. Taking these considerations together, the committee decided to award grade B.
