Exam questions

Grade

If you could add any additional perspective to your theoretical framework, what would that be?

4

What other factors except external threat could explain the change in CSDP? Especially deepening integration in this area?

4

What are your findings and what your thesis means for the research on the CSDP and its understanding?

4

Please elaborate on the meaning of your conclusions - is this the case that the threat perception changed, but the interests remained the same?
