

Bachelor thesis Magazine "Svět práce" 1945-1948 deals with the development, ideological focus and more detailed analysis of content and formal analysis of the magazine of Czechoslovak Social Democracy. In individual chapters it is devoted to the history of the origin and demise of the magazine itself, trying to outline the political situation of the time within which Svět práce was published, and the Czech Social Democratic Party and its ideology. Many contributors were very distinctive personalities on the political scene in the captured era, therefore they have received a special attention. A separate section also consists of editorial policy that was changing significantly during the seized period.
