

standards, on the basis of which the confiscation of Jewish property occurred, are also discussed and described.

In conclusion I summed up the personal knowledge and impressions, which I acquired during this project and the study of special materials. At the very end I focused on the question of reparations and compensation for damages and crimes under the Protectorate caused by the Nazis, especially on the compensation of the Jewish population of the Czech lands.

**Key words / Klíčová slova:**

**persecution – perzekuce, Protectorate – Protektorát, legal forms – právní formy**
