

ABSTRACT

The subject of my thesis is "The marriage and its dissolution". In the first chapter of my essay I deal with define the basic concepts, marriage and family that are necessary for further interpretation. In the second chapter I deal with dissolution of marriage by death and declaration of death. The third chapter is focused on general questions of divorce which are common for three variation of divorce. I also write about historical development and mention procedural aspects. In the fourth chapter I deal with divorce according to § 24 paragraph 1 Act of family. The principal and major part of my work is focused on the status of minor children during divorce. The sixth chapter I focused on the divorce according to § 24a Act of family. The largest part I deal with contract according to § 24a paragraph 1 Act of family. Last part of my work desserts on the divorce according to § 24b Act of family. I compare past, current and future legislation.
