

Reformní katolík Josef Dobrovský

The Reform Catholic Josef Dobrovský

Josef Táborský

The goal of this dissertation thesis is to introduce Josef Dobrovský as a priest influenced by the Enlightenment and participating in reformatory effort in Catholic church of 18th century. Author of this dissertation has not focused on Josef Dobrovský's excellent scientific work but rather on the importance of Josef Dobrovský as both the scholar and the man oriented towards the Christian faith and questions connected with it.
