

**CHARLES UNIVERSITY**  
**FACULTY OF PHARMACY IN HRADEC KRALOVE**

Department: Pharmaceutical Technology

Master's degree program in Pharmacy

**Mentor's evaluation of Master's thesis**

Student's name: Veronika Skalická

Thesis mentor's name: Dr Georgios Paraskevopoulos, PhD

Year of the thesis defense: 2017

Title of the thesis:

**Up-scaling and further development of matrix liposomes**

---

The topic of the thesis was chosen by student

Working with literature excellent.

Language skills excellent.

Student invention excellent.

The student was working independently with mentor help.

Problems and issues were solved independently.

Working in the lab was excellent.

Interpretation of the results correct with no corrections.

Processing of the thesis was correct with no corrections.

Graphical processing of the thesis excellent.

I recommend Diploma thesis for the recognition as Rigorous thesis .

Mentor's comments both on the thesis and the student's approach:

The student completed her diploma thesis within the Erasmus program at the Department of Pharmaceutical Technology and Biopharmacy, Institute of Pharmacy and Molecular Biotechnology, University of Heidelberg, Germany as a member of Prof. Prof. Dr. Gert Fricker group under the supervision of Michael Binnefeld.

Her foreign supervisors at their recommendation letter characterized her as "exceptional hard working student" who "enriched the project".

The work that submitted in its final form was completed at a very high level and required only minimum of comments from the supervisor

**Evaluation of Master's thesis: excellent**

**Recommendations for the thesis defense: recommended**
